

What is a Prayer Ministry Appointment?

A trustworthy prayer team works together in the context of love and faith in Jesus Christ, and asks the Lord to bring healing and wholeness wherever it is needed.

The appointment is a personal time for in depth and confidential prayer. You will meet with a prayer team of three prayer ministers who have gone through extensive training. You can expect the prayer ministers to be mature, Spirit-filled Christians.

What do people come to prayer for?

We meet with people for any area of their life in which they feel stuck and are struggling to experience abundant life with Jesus. This includes a wide range of things like anxiety, physical healing, forgiveness, deliverance and even fear of the dark. Jesus delights to bring freedom to his people in every area; no need is too big or too small.

Testimonies.

“During my prayer ministry appointment, I was freed from unhealthy spiritual ties, which existed from childhood sexual abuse that caused great shame and guilt in my day-to-day life. The unhealthy guilt and shame are gone, even seven years later!”

“For years I dealt with a nagging background fear and personal insecurity. Through prayer, the Lord identified the source of my fears and has not only removed them, but greatly strengthened me — I now know what it feels like to live daily life as a dearly loved son of God.”
