

How to Pray for Gospel Tool Groups

This guide will help you, the church's Prayer Team, to intercede most effectively for those on the Gospel Tool (GT) journey. The GT-Group Facilitators will provide you with the names of each participant in their group so that you can pray for them by name.

Please pray that the Lord would...

- Make the Word of God ever sweeter in the hearts and minds of participants
- Reveal himself to participants as they engage in the spiritual disciplines
- Protect and bless the participants, particularly with regard to health, family life, and time
- Develop and deepen in the church a desire for evangelism
- Prepare the neighborhood around the church to hear and respond to the Gospel
- Shape the culture of the church more fully around discipleship

Please pray that the Lord would help the participants to...

- Experience inspiration from the Holy Spirit throughout this journey
- Discipline themselves to set aside the necessary time for the GT
- Be faithful in completing their GT lessons each week
- Apply to their lives what they're learning in the GT

Please pray for the Lord's blessing upon each of the bi-weekly GT-Group meetings, particularly for the following things:

- The presence of the Lord to be clearly experienced throughout the meeting
- A spirit of unity among participants
- Growing intimacy and vulnerability with each other
- Needs to be met appropriately (spiritual, physical, emotional)
- Clear comprehension and internalization of the material

Please pray, as led by the Holy Spirit, for the Lord to accomplish his purposes of growing passionate disciples of Christ:

These are the Values and Goals that we want to see increasingly evident in the lives of facilitators and participants as a result of their involvement with the GT, please pray that the Holy Spirit would grow these in each participant:

Gospel Tool Overview

We encourage the church's Prayer Team to use this Overview as a guide when praying for the GT-Groups and their meetings. It will be helpful for intercessors to know which topics the GT participants will be diving into each week. Scan the QR code with your phone to access the GT Overview or click on the direct link.
